

Put the freeze on identity theft!

A new Maine law makes it easy and free.

Placing a freeze on your credit report with all three major credit bureaus is the most effective way to prevent identity theft. Thanks to a new law introduced by AARP Maine, turning the freeze on and off is free for all Maine residents.

On behalf of our 230,000 members in Maine, AARP thanks Senator Rodney Whittemore for sponsoring this legislation. Don't be the next victim. Turn on the credit freeze today.
