

Current Displays: This month we have three book displays. The first contains all books on Backyard Critters. The second features materials on the Sixties as this is the 50th anniversary of 1968. The third is a display on choirs, bands, orchestras, and music groups in conjunction with the upcoming Vocal Solution concert on August 23.

Current Glass Case Displays: In one glass case, we will have a display on 1968 with various items and information in recognition of the 50th anniversary of this turbulent year. In our other glass case display *Greetings from Norway, Maine* we will feature Maine postcards on loan from Norway Historical Society in connection with summer. We are pleased to have framed photos from the Norway Historical Society in our reference room featuring Norway Lake and surrounding areas which will be up through June and July. This display is called *A Step Back in Time: Norway Lake and Village*.

Starting Monday, July 30, free tickets will be given out at the information desk for the **Vocal Solution concert on Thursday, August 23, 7:00-8:00 pm** on a first come, first served basis. They will be required for the concert as seating is limited.

Vocal Solution was founded and is based in South Paris. Members are: Kristen Searles (Soprano I), Pam Merz (Soprano II), Karen Chapman (Alto I), Jane Morse (Alto II), Kevin Murphy (Tenor I), Brian Pfohl (Tenor II), Del Leonard (Baritone), and Carl Steidel (Bass II). Since January of 1997, this group has delighted audiences with their varied repertoire that ranges from traditional spirituals to contemporary/popular arrangements. The singers come from different professional and musical backgrounds, but all have in common the love of choral music.

Since its formation, Vocal Solution has performed at a number of community events and church services in western and southern Maine including Maine Music Society's "Battle of the Blends", Poland Spring Preservations Society's summer concert series, and as guests of the Yarmouth-based Royal River Chorus and the Portland-based Downeasters Barbershop Chorus. The women often sing as a quartet called The Del-lights and offer a wide range of musical choices from spirituals to Motown to newer arrangements.
