**Current Displays:** In August, the library will feature three displays on the 60th Anniversary of Hawaii, 50th Anniversary of 1969, and Cool Books with Cool Titles.

In July and August, please join in “The Battle of the Books.” Books will be pitted against each other to determine the NML champion. Each week there will be two match-ups of books going head to head in single-elimination challenges. Vote for your favorite titles and see them advance to the next round. As temperatures rise so will the battle of the best book at NML. Library staff detects a heat wave during week 6 that only votes will break! The last day to vote is Wednesday, August 17 with the drawing on Wednesday, August 21 to win a book.

**Art Display in Reference Room:** We are pleased to display artwork by Laurel Vincent who is a painter and printmaker from Southern Maine. Her work primarily deals with abstraction, color, instinct, and intuition.

**Current Glass Case Displays:** There is currently a display of artifacts from 1969 in celebration of its 50th Anniversary and in conjunction with the Woodstock concert on August 1. The other display features memorabilia from Norway High School kindly loaned to us from Norway Historical Society.

**For other summer programming information, please click on the Friends of Norway Library Summer 2019 link on the library website homepage.**
